► WELCOME TO THE WORLD OF HD

If you're looking for your first High Definition TV, or a screen that will blend beautifully into any room in the house, the new Toshiba W1 series is an ideal choice.

It packs a crystal-clear LED display and the latest TV features into a slim, elegantly crafted black or white design so whether you want movies in the bedroom, sports in the kitchen or just a compact, affordable HD experience, the W1 series delivers. The built-in Dual Tuner opens up the world of digital TV but the W1 series does much more than that. By plugging a USB stick or HDD into the USB port you can view pictures and home movies while connecting consoles, or DVD and Blu-ray players, by HDMI allows you to enjoy games and movies in full-impact High Definition.

Whatever you decide to do with the new W1 series, you can be sure that this stylish TV won't let you down.

LED TV

HD ready

Latest LED technology combines slim designs, brilliant colours and high energy efficiency.

HD Ready 720p resolution displays High Definition images from any HD source.

AMR 50
Active Motion & Resolution

50 AMR helps the screen keep up with fast-paced sports and movies.

USB

Convenient USB playback of your favourite videos, music and photos.

DUALTUNER

Built-in digital tuner to access all your favourite digital channels without extra equipment.
